

GISE

Società Italiana di Cardiologia Interventistica

GISE CTO 2020

WHO'S GOT THE CTO FACTOR?

The work of the most brilliant junior interventional cardiologists will be the object of discussion with CTO experts and the audience from home, with a final judgement and vote by quality-standard criteria.

**FUTURE
GENERATION
CHALLENGE**

Your Partner for Innovation

From Research to the Market

SOLUZIONI PER LE SCIENZE MEDICHE

**Kardia da 25 anni è partner
nelle cardiologie interventistiche.**

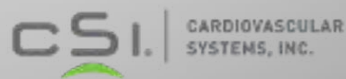

La forte propensione all'innovazione, la scelta di partner affidabili, la professionalità, la creatività e flessibilità nel lavoro di tutto il team **Kardia** sono i maggiori punti di forza che ne hanno determinato il successo.

Kardia, leader di mercato, offre una gamma completa di dispositivi innovativi, unici e affidabili in grado di garantire il successo nel trattamento di lesioni complesse e di CTO.

The Patient First

As partner of large multinational companies operating in the field of cardiovascular medical services, such as OrbusNeich and Cardiovascular Systems Inc., we at MC Health are engaged every day in promoting access to the highest quality technical solutions for the Italian healthcare system, by constantly supporting the health care professionals and always maintaining our focus on improving the quality of life of the patients.

FRONTLINE STORIES

Incredibly close, no matter how far

#TeleflexAgainstCOVID-19

The Teleflex mission to improve the health and quality of people's lives has taken on a new meaning during the COVID-19 pandemic.

Resilience, hard work and incredible dedication are our contribution in the fight against COVID-19.

Katerin Villamarin
Home Care Nurse and Clinical
Education Consultant for Teleflex
Guayaquil, Ecuador

"If I could describe the people at Teleflex in one word, it would be love. Love conquers all fear, and Teleflex's mission is truly helping to bring hope in the face of this pandemic."

AHCène Tazibt
Clinical
Specialist
Margency, France

"I am fighting alongside all of my Teleflex colleagues who in their own way are helping to improve the health and quality of people's lives."

Tom Humphries
Interim Clinical Manager UK/
Clinical Specialist UK
Beaconsfield, UK

"I feel honored and proud to be able to help and be supported by Teleflex to provide my skills and abilities during this challenging time."
